September 2011

Dear Customer,

Our prices include carriage to addresses in the UK, but the following charges apply to all overseas deliveries with the exception of Australia and New Zealand:

Up to 2 kg: £3.50
2–5 kg: £7.00
Over 5 kg: £10.00

Due to sharp increases in postal prices this year (over 50%) to Australasia the following charges apply:

Up to 2 kg: £5.00
2–5 kg: £10.00
Over 5 kg: £15.00

Typical delivery times are 1–2 weeks (Europe), 2–4 weeks (USA and Canada) and 3–6 weeks (rest of the world). If faster delivery is required, we can use a courier service for which there is an extra charge. Please contact us for details and prices for this service.
